## **KDA FALL CLASSIC I & II COVID-19 ACTION PLAN 2022**

We welcome you to the Kentucky Horse Park for the KDA Fall Classic I & II and look forward to seeing each of you. Please know we are doing everything we can to help keep you safe.

The pandemic is constantly changing and rules may be modified as need arises. USEF-Licensed competitions must operate in accordance with the USEF COVID-19 Action Plan for USEF-Licensed Competitions. Enforcement will be the responsibility of the TD and show management.

**All persons on competition grounds must comply with any COVID-19 protocols that might be in place at the competition. Failure to do so may result in expulsion from the grounds by competition management. These requirements are in effect until further notice; however, they are subject to revisions as the COVID-19 virus environment continues to change.**

### **Access**

- All persons entering competition grounds are required to self-monitor for COVID-19 symptoms daily prior to entering the competition grounds.
- The following individuals are not allowed to enter the competition grounds regardless of vaccination status:
  - Regardless of whether a COVID-19 test was taken, anyone who exhibits COVID-19 symptoms, including a temperature of 100.4° F (38° C) or higher,
  - Anyone who has tested positive for COVID-19 within the last 5 days,
  - Anyone who has tested positive outside of the past 5 days but is still symptomatic.

All participants, licensed officials, staff, and volunteers must provide emergency contact information and execute a Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement required by USEF, as a condition of participation.

### **Concessions**

Concessions are open. Bottled water will be available in coolers.

### **Stabling**

Trainer should provide an ample quantity of hand sanitizer and other cleaning/disinfecting products for their staff/customers for use while on premises.

Bedding should be preordered directly from Dever's to ensure delivery before your arrival. See prize list for details.

**There will not be any hoses at the wash rack or on the water spigots at the barns. Wheelbarrows, muck buckets, manure forks, etc. should not be shared.** Sanitation of stall doors, water hoses, and equipment are the responsibility of the competitor and the trainer.

### **Competition and Warmup Arenas**

Ring Stewards will monitor the competitor's entrance and exit from the ring and do a visual equipment check. The Technical Delegate may follow the competitor to a designated area for further equipment inspection, if necessary.

Riders should report to the warmup no sooner than one hour before scheduled ride time to prevent overcrowding.

Noncompeting horses may school on Friday and Saturday after the competition is over.

### **Show Office/Schedule/Awards**

**The show office will be closed.** All entries must be perfect before arrival. Perfect packets will be placed in a box outside the show secretary office. Anyone who does not have a perfect entry cannot enter the stabling area until the issues are resolved.

Communications for issues or schedule changes, adding qualifying, and scratches will be handled through text, e-mail, or phone call. Any required payments will be invoiced and are to be paid promptly with credit card.

Scores will not be posted. Once your class is complete, check your placing online at [www.showsecretary.com](http://www.showsecretary.com) and pick up your test and ribbon at awards.

### **COVID-19 Outbreak Protocol**

If a person is reported to have COVID-19 symptoms, we will consult with the medic on grounds who will decide if 911 should be called or if the competitor will be sent home with instructions to reach out to their healthcare provider. If the competitor is unable to be transported off the grounds, they will be directed to an isolated room on grounds.

In the event of an COVID-19 related emergency, management will email or text staff, officials, volunteers, and participants.

All staff, volunteers, and licensed officials will be given this plan. All staff will follow the same protocol by calling for medic, management, and the safety coordinator on the designated radio channel.

### **EMERGENCY NUMBERS**

**Emergency 911**

**KHP After-hours emergency 859-509-1450**

**Safety Coordinator Sheila Woerth 859-351-4137**

**Show Manager Anne Kuhns 918-231-9777**

**Technical Delegate Susan Moran 317-371-5152**
